

TROY HERALD.

WEDNESDAY, JUNE 25, 1873.

EXCURSION.—The steamer Dayard will give a pleasure excursion on the 4th of July from Louisiana to St. Louis and return the following day. A brass and string band will be on board. The boat will reach the city early giving the excursionists ample time to visit theatres and other places of amusement. The fare for the round trip has been greatly reduced, being \$3.00 from Cap-au-Gris, including meals and lodging in St. Louis. This will be a fine opportunity for those of our pleasure-loving young people who desire to take advantage of it.

We would like the postmaster at Wentzville to tell us why he sent our package, directed to Chain of Rocks, back to this post-office on Thursday. Does he assort the mails according to written direction, or does he follow the example of some of the reconstructed post-masters down south, who being unable to read, distribute the mails by dividing them into equal shares? Through this inexcusable carelessness, our subscribers at the Chain will be compelled to wait one week for their papers.

NOTICE.—All persons indebted to the firm of Jackson & Hutt, either by note or open account, are requested to secure same satisfactorily, or suit will be brought for collection. All open accounts must be closed by note at once. **GEO. S. HUTT, Adm.**

Attention Farmers.
We call your attention to the fact that we have for sale a "Star of the West" Threshing Machine worth \$600, which we are authorized to sell at \$400. One half in six months, balance in twelve months, notes with approved security bearing ten per cent. interest from date. A liberal discount for cash.

HORRIBLE DEATH.—Steph. Hempstead, of Callaway County, a soldier of the war of 1812, and years ago a resident of this county, came to a horrible death last week, by being trampled under foot by an enraged bull. The first intimation had by the family of his death was seeing the infuriated animal tossing the mangled body of the old man in the air, as a boy would a ball. So says the *Fulton Telegraph*.

READ THIS.—For a pleasant drink of soda, go to the Fountain at the corner store of G. W. Mohr. He has also just received a lot of Ladies and Misses' straw hats, which he will sell at low figures. Gents and boys' felt hats at from 75 to \$1.00; boots and shoes, cutlery, fancy groceries and provisions, &c., all at low cash prices.

All those indebted to me must come forward and pay; otherwise their accounts and notes will be put out for collection.
n28v8 **G. W. MOHR.**

PRICES TUMBLING!—The hard times and the scarcity of money have caused the prices of goods at W. S. Cooper's Novelty Cash Store to tumble down at a rattling rate. Calicoes are selling at from 6-14 to 12-1-2c a yard. A large stock of new goods just received and ready for inspection. Call and see his goods and inform yourself of his low prices.

It is the strongest and most durable and the lightest draft machine made. Every machine warranted to give entire satisfaction, or the money paid for it will be refunded. Repairs kept constantly on hand. I refer the farmers of Lincoln county who think of purchasing a reaper this year, to the following gentlemen, bought the Champion of the last year: H. W.
